

Learner Profile Survey

Hello everyone! Welcome to ENVS 189: Coastal Field Studies. This semester our course will be a hybrid format with online and field trip components. To create the best class possible and help you be successful this semester, please honestly answer the short survey. If there is something that you would like to speak to me about in-person via Zoom, please leave a note in the last question. ~Rachel

* Required

1. What is your name on the class roster (ie. what name did you register at SJSU with) and what is your preferred name or nickname? *

2. What are your preferred pronouns? *

3. How comfortable are you with distance learning/online classes? *

Mark only one oval.

1 2 3 4 5

Not At All It's My Preferred Class Type

4. For the online portion of the course, would you prefer content and activities to be asynchronous (ie. you can do it at any point during the week) or synchronous (ie. everyone meets together at the same time via Zoom)? *

Mark only one oval.

- All or mostly asynchronous
- All or mostly synchronous
- A mix of both asynchronous and synchronous

5. Do you have any circumstances that may present a challenge to successfully completing this course. Examples include, but are not limited to, learning differences, family obligations, long work hours, etc. *

6. Please tell me two things that you are hoping to learn or gain from this course. *

7. Are there any particular sites, locations, ecosystems, or coastal features that you are hoping to visit during field trips this semester? (No promises!) *

8. Anything else I should know?
